REF : Memorandum [redacted] dated 7 June 1955  
to Assistant Comptroller

25X1A9a

1. There is attached a copy of a memorandum of 23 August 1955 from the Finance Division to the Deputy Comptroller commenting on the contents of the above referenced memorandum. It appears to me that the Finance Division is correct in its conclusion that from the standpoint of cost, time, and effort that would be required it would not be practicable nor could we justify attempting to collect the data proposed in your memorandum.

2. However, as indicated in the last paragraph of the attached memorandum from Finance Division it is suggested that you further discuss your suggestion with representatives of the Finance Division, particularly with the Chief, Monetary Branch.
